

MUSLIM LEGACY FUND

Introducing our foundation's Community Fund and a monthly program to support it.

How the Muslim Legacy Fund aims to serve our community

A registered Canadian charity, the Muslim Legacy Fund Inc. is a foundation created to establish a sound process for funding charitable work in the Muslim community. Using an endowment (or waqf) model, we will build a group of funds that will grow in value over time. The returns from these invested assets will be used to provide grants to registered community charities. The goal is to foster a different mindset within the community: one of growth and independence, leading to increasingly positive contributions by Muslims to our community, and to society at large.

What the Community Fund is designed to support

The Community Fund is the foundation's core Fund. It will hold the assets required to fund the Muslim community's charities in the future. Donations made to the Fund will be invested for growth. The returns generated by these investments will then be used to support the needs of our community's charities for years to come.

The Monthly Certainty Program is vital to the Community Fund's success

By making a small monthly donation, every member of our community, regardless of income, can participate in this important work, so that everyone gets to play a role in our community's success.

There are four tiers of support. One of these amounts will be drawn from your account each month and each year, you will receive a charitable donation tax receipt by email:

Student	\$ 25 monthly	Goal: 300 Certainty students
Individual	\$ 50 monthly	Goal: 1000 Certainty individuals
Couple	\$100 monthly	Goal: 200 Certainty couples
Professionals	\$200 monthly	Goal: 30 Certainty professionals/entrepreneurs

Why did we call it the Certainty Program? Because individually and as a community, we all crave certainty and the Certainty Program provides it. It's a win-win for us all: As a donor, you can be certain that you are fulfilling your obligation to give back to the community, doing your part to nurture its charitable organizations. Charities benefit from the certainty of receiving a predictable flow of capital from the Community Fund to support their good works.

"The acts most loved by God are those that are done consistently, even if they are small."

Mosques, educational programs, social programs and anti-poverty initiatives all need reliable funding. Supporting our community's charitable needs is a duty we all share. Let's all work together to achieve our full potential as a community by becoming Certainty Program donors. **Call us. Email us. Or set up your monthly donation account online.**
